Cheeverstown School 2026

News

A heartfelt thank you to all the parents and families who joined us for our recent coffee morning. It was a lovely morning filled with friendly chats and a real sense of community. We truly appreciate you taking the time to come in and connect with us.

This Month's Themes

Our themes for this month are 'Autumn' and 'forests and woodlands'. Across the school, the children will be exploring all things autumnal, from changing leaves and woodland creatures to sensory stories, nature walks and creative autumn crafts. We're looking forward to a season full of cosy colours, crunchy leaves and lots of hands-on fun!

Building Update

Our building works are continuing on site, and we can't wait to see the completed project. We'd like to extend our sincere thanks to the construction team for their considerate, diligent and helpful approach throughout this process. The children are absolutely loving watching the diggers in action and it's been a wonderful highlight of their days.

Farewell to Úna

Our principal Úna will retire on Friday, 9 October. We thank her for her exceptional leadership, kindness and dedication to every child and family in our school.

Úna's legacy lives on in our new building, a testament to her vision for a safe, inclusive and inspiring learning environment. She will be sorely missed, but her impact will remain at the heart of our school community. While we are sad to see her go, we celebrate this next chapter in her life.

Warmest wishes Úna, from all of us at Cheeverstown School!

Ms. Gillian Morrisroe will be Acting Principal and Ms. Mary Ogoto will be Acting Deputy Principal until such time as permanent appointments have been made.
