## News

Dear Parents and Guardians,

We had a very busy January and we are delighted to share that our weekly Sensory Assemblies have been a huge success! They have brought the whole school community together in such a positive and enriching way. Over the past few weeks, we have celebrated four wonderful Star Pupils! We look forward to continuing this special tradition in the weeks ahead.

On Wednesday 18th February, we are planning a 'Share the Love' event to link with our curriculum themes of 'Celebrations' and 'Love and Friendship'. We would love to welcome parents and families into school to share something from your own traditions—perhaps food, dress, music, a story, song, or an artefact.

If you are interested in taking part, please let your child's class teacher know.

We look forward to celebrating together.
